

FINAL EXAMS

Final Exams

Exam times for on-campus students are determined by the day/time that the class is scheduled during the semester and exams will be given in the same classrooms used for class during the semester. Exam times for online students are determined by faculty. If you are scheduled for four or more exams on one day, or if you have two or more exams scheduled for the same time, discuss this with the professors involved and arrange an acceptable exam time within exam week. If you have a class that does not seem to fit the schedule, discuss the situation with the professor, who will determine the exam time.

Please do not make end-of-the-semester travel arrangements that conflict with your final exams.
