

TECHNOLOGY REQUIREMENTS

multiple options so students can make the necessary arrangements to participate.

Students enrolled at Cornerstone University must have a desktop and/or laptop computer that is no older than four years old with reliable access to high-speed Internet. Your computer needs to be running the current versions of Microsoft Windows, Apple macOS or Google ChromeOS. If you are taking an online course, it is expected that you will own a computer that meets the requirements below and that you have access to the Internet from your home. E-mail and Internet connections are a primary means of participating in courses and are thus necessary and significant contributors to academic success at Cornerstone. Please review your computer's specifications to determine whether they meet or exceed the minimum requirements listed below.

Software Requirements

Microsoft Office 365 is available for free to all actively enrolled students at Cornerstone University (see My Cornerstone>Tools>Office 365 for installation instructions).

ED.D. IN ORGANIZATIONAL LEADERSHIP & DEVELOPMENT

Doctoral students are expected to complete capstone projects using mainstream quantitative or qualitative data analysis software (SPSS, JMP, LISREL, Minitab, NVivo, WINKS). If a student knows how to use open-source software (such as *R*), he or she will be permitted to do so but assignments and data analysis must conform to normative output, reporting procedures and criteria. Moreover, the student will be responsible for knowing and demonstrating mastery of the software program.

ALL ONLINE DEGREE PROGRAMS

Select online courses include a requirement for live or recorded presentations conducted via the web (i.e. Google Meet or Microsoft Teams). **A webcam, microphone and speakers/headphones will be required to participate in these assignments.** When there is a live web-based presentation or online meeting required in an asynchronous online course, professors schedule the meeting(s) in advance with
