

WITHDRAWAL FROM INSTITUTION

Students who wish to withdraw from all courses, prior to the term course withdrawal deadline (<https://catalog.cornerstone.edu/academics/policies-procedures/registration/course-withdrawal/>), should contact the University Advising Office for help with the withdrawal process. After the withdrawal deadline has passed, students will remain enrolled and receive grades at the end of the term.

Students who stop attending, but do not officially withdraw from a course by completing a withdrawal form, will receive a failing grade for that course.

Students who wish to appeal a grade may follow the grade appeal policy (<https://catalog.cornerstone.edu/academics/policies-procedures/academic-grievance-appeals/>).
