

ACADEMIC ASSISTANCE

The Center for Academic Success functions in a dual role as both an academic resource center and an accessibility services sub-department for disability-related accommodations. In the first capacity, the Center for Academic Success will provide tutoring services and academic support to the undergraduate community on an “as needed” basis. In the second capacity, the Center for Academic Success will be the contact point for all accessibility services on campus, including academic and residential. In addition, the Writing Center provides writing tutors for the undergraduate community.

The following courses are offered for students requiring additional academic support.

IDS-097 ACADEMIC ACCOUNTABILITY (1 Credit)

This course is a continuation of academic support for students admitted to the university conditionally and probationary students who have completed CSS-100. This flexible course is designed to provide accountability and resources for students as they transition to good academic standing. The course will feature a combination of self-directed projects, progress reports, and individual and group meetings. This course may be counted for purposes of financial aid, sports eligibility and GPA, but does not count toward the total hours required by the institution for graduation.
