

CENTER FOR ACADEMIC SUCCESS

The Center for Academic Success commits to providing academic support to all students, with resources available for both in-person and online studies. Academic success requires more than just knowledge of subjects—it requires awareness of university academic support options and full accessibility.

Academic Resources: A fully dedicated website is available with 100+ academic success resources. These academic resources are designed to support all students and applicable to both in-person and online learning. Additionally, if individualized support is needed, one-on-one Academic Success coaching is available by appointment in either the Center for Academic Success or virtually via Microsoft Teams. The following is a list of topics that academic resources are available for: time management & procrastination, memory & concentration, note-taking & study aids, technology & software, motivation & attitude, critical reading, writing & rhetoric, learning preferences, and academic anxiety. The Academic Resources website can be accessed by clicking [HERE](https://sites.google.com/cornerstone.edu/cu4academics/home/?pli=1) (<https://sites.google.com/cornerstone.edu/cu4academics/home/?pli=1>).

Academic Tutoring / Academic Coaching: Free tutoring is provided to students to assist in achieving academic success. A Peer Academic Tutor is for subjects such as math, history, etc., and meets one-hour a week to help cement classroom learning. A Peer Academic Coach, on the other hand, assists a student with studying techniques, organizational skills, and serves as an accountability partner as it relates to course learning outcomes and requirements. Interested students will complete a brief Academic Assistance Survey to receive tailored support in either academic tutoring, writing support, academic success coaching, and/or an accessibility services referral. NetTutor (<https://my.cornerstone.edu/groups/44/files/?folder=3876>), a 24/7 virtual tutoring option is also available for CU online students.

** Cornerstone Theological Seminary students should utilize their courses' professor and peer coach due to the specificity of the seminary's writing format and Greek / Hebrew courses.*

The Writing Center: The Writing Center is a service for all enrolled students. Located in the Archive Room of the Miller Library, the center assists students with grammar, syntax, formatting, citations, style, as well as general writing-related questions. Scheduled appointments can be made via Microsoft Booking (<https://outlook.office365.com/book/TheWritingCenterCornerstoneUniversity@cornerstone.edu/?ae=true>), while walk-in appointments are available to students during designated open hours, usually advertised on MyCornerstone, the Miller Library website (<https://library.cornerstone.edu/about/hours/>) and campus posters.
