INFLUENCE & INNOVATION (MINOR)

Influence & Innovation Minor Information

Admission to the Cornerstone University Honors Program is selective. Only honors students are eligible to earn the included Minor in Influence & Innovation credential and distinction. The program seeks high-achieving students who demonstrate academic excellence, intellectual curiosity, and leadership potential. Students considered must demonstrate:

• 3.6 or higher cumulative high school GPA

• Intellectual curiosity and initiative

• Interest in leadership and meaningful influence across fields such as business, ministry, healthcare, education, technology, and the sciences

• A desire for deeper academic engagement within a Christ-centered learning community
