Additional Academic Policies

The purpose of monitoring academic status is to notify the student of his/her academic standing and provide additional support and guidance that will enable the student to improve his/her academic performance and successfully complete the BSE degree.

Upon completion of the Engineering Foundation Courses, the Engineering program requires a secondary admission application. **Admission is required prior to taking upper division courses (300 and 400 level courses).**

Applicants must meet at least the following:

1. Combined GPA of 2.7 or above in the Engineering Foundation Course sequence.
2. Completion of each course in the Engineering Foundation Course sequence with a grade of C (2.0) or above. Foundation courses may only be taken twice.
3. Completion of ENG-212 WRITING IN CULTURE with a C (2.0) or above.
