

MISSIONS AVIATION (BS)

This degree is the merging of biblical studies, intercultural studies and aviation technology. Students enrolled in this program are prepared to engage with mission organizations that employ missionary aviators.

The freshmen, sophomore and senior years are spent at Cornerstone completing core requirements, a biblical studies major and several courses in intercultural studies.

The junior year is spent at the School of Missionary Aviation Technology (SMAT). It will be necessary to complete the pre-entrance requirements of SMAT before proceeding with the technical training. Cornerstone will accept the FAA certificate earned by the graduates of SMAT as evidence of prior learning in the amount of 60 credits (for aircraft maintenance certificate) or 45 credits (for flight certificate).

The following requirements are in addition to the Bachelor of Science core requirements, found here (<https://catalog.cornerstone.edu/undergraduate/cornerstone-core/>). (does not require a minor)

Required Courses
